Ward History

We are wanting to make you aware of the new Unit History tool where stories have been written by various leaders serving in ward callings.

Preparing and submitting these histories helps fulfill the Lord's charge: "Continue in writing and making a history of all the important things ... concerning my church. ... And also, my servants who are abroad in the earth should send forth the accounts of their stewardships" (Doctrine and Covenants 69:3, 5).
