Ward History

We are wanting to make you aware of the new Unit History tool where stories have been written by various leaders serving in ward callings.

Preparing and submitting these histories helps fulfill the Lord's charge: "Continue in writing and making a history of all the important things ... concerning my church. ... And also, my servants who are abroad in the earth should send forth the accounts of their stewardships" (Doctrine and Covenants 69:3, 5).

TEMPLE AND FAMILY HISTORY

As you talk about your family or help friends discover their own stories, you can help them open their hearts to the influence of the Holy Ghost, build relationships of trust, and help them see that we are all children of our Heavenly Father.

Sharing ...

1. A sweet or funny memory about home evening
2. A family tradition
3. Memories of a family member who passed away

... can lead to a discussion about

1. What home evening is and why you value family time so much.
2. How that tradition is rooted in a gospel principle such as keeping the Sabbath day holy.
3. Your belief that families can be together forever.

Consider sharing a family history story with those you love!
